- May 17th** Adare village. Meet at the tourist office.
- May 24th** Oakwood arms. Show two A4 prints of Adare village night. Finalise annual outing venue.

Remember that Summer is generally the best time, considering the light and the comfort of a bit of heat, to get out with the camera. Keep in mind good photos for the National Shield in November the SACC print & projected images in December followed by the finals of this competition in 2011. Also consider the Nature Competitions regional round in January and the finals later in early 2011.
